

# Anthem by Del Webb Recreation Center Anthem, AZ

**BMG**  
INC • AIA  
Architecture &  
Planning

Anthem by Del Webb Recreation Center is 34,000 sf in size. This project includes an indoor basketball court surrounded by an exercise equipment mezzanine, meeting rooms, a large commons area and a 30ft climbing wall. A large locker room area supports a million dollar water park facility adjacent to the recreation center.

Also, included in this project is a tennis complex, tennis clubhouse and an athletic facility which supports baseball and soccer fields. Anthem by Del Webb is a 100% steel structure and was built on time and within budget.
