

Miraval Life in Balance

Catalina, AZ

BMG
INC • AIA
Architecture &
Planning

BMG Inc. AIA started working with Miraval Resort in 1997 as a four month, \$16 million conversion of an existing treatment center. BMG has provided services for construction of both entities.

Miraval Life in Balance is a world class resort and has been ranked as one of the top 10 resorts in the world since it opened. The project is a unique resort, spa and retreat in the serene Sonoran desert.
