Timber Creek Lodge received a Gold Nugget award from the PCBC and a Gold Award from the NAHB.

Sun City Roseville Timber Creek Lodge is a 65,000 sf community center. BMG Inc. AIA also designed and built a 12,000 sf sales office as well as support buildings. BMG participated in community themeing and interacted with local entitlements agencies as needed to get the job done.

Timber Creek Lodge includes an indoor pool and outdoor pool, large fitness studio, crafts wing, dining room and kitchen facilities, a 350 person ballroom as well as a library and golf pro shop. BMG subsequently designed and built a smaller satellite recreation center called Pine Ridge in the community.
