

Sun City Summerlin Mountain Shadows Recreation Center Las Vegas, NV

BMG
INC • AIA
Architecture &
Planning

BMG Inc. AIA designed three of the four recreation centers in the Sun City Summerlin community. Mountain Shadows is the first recreation center built in the community. Mountain Shadows has a large ball room, card room, meeting rooms, aerobics, fitness and a large outdoor pool. It is approximately 40,000 sf.

Other BMG projects in the Sun City Summerlin community include Sun Shadows, Del Webb's first indoor swimming pool. Pinnacle Recreation Center which includes a 300 seat performing arts theater. BMG also designed and built several golf maintenance buildings and gate houses in the Summerlin community.
